

Pin busbar touch-safe, 16 mm<sup>2</sup> 1-phase, 1016 mm long can be cut, without end caps

Figure similar

| Model                           |                               |
|---------------------------------|-------------------------------|
| Product brand name              | SENTRON                       |
| Product designation             | Pin busbar                    |
| Design of the product           | 16mm <sup>2</sup> 1PH L1016mm |
| Busbar design                   | laminated                     |
| General technical data          |                               |
| Surface processing / tin-plated | No                            |
| Main circuit                    |                               |
| Operating current / rated value | 80 A                          |
| Product details                 |                               |
| Product feature / flexible      | Yes                           |
| Mechanical Design               |                               |
| Width                           | 15.5 mm                       |
| Length                          | 1 016 mm                      |
| Thickness / of busbar           | 4.6 mm                        |
| Net weight                      | 211.34 g                      |

## Declaration of Conformity

EG-Konf.
