Science Apprentices, 5+

[Clementoni Science & Play Science Apprentices:](#)

A multi-experiential kit that will accompany smaller kids as they approach the world of science.

Lots of experiments for playing with colours, weights and sizes, creating plenty of solutions, discovering the properties of water and lots more.

A laboratory with components specially designed to encourage children to be independent during the various play experiences.

Amusing video tutorials with nutty scientists guide and integrate the child's experimentation process.

Conceived, designed and developed in Italy.
